

Flea Market Book by Lori Holt

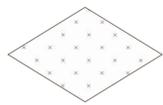

Tag along for a fun time with Lori Holt of Bee in my Bonnet Co.! The Flea Market quilt is inspired by Lori's favorite outing, thrifting at flea markets and antique shops. Flowers, baskets and churn dashes encircle a brilliant star, symbols of her guiding principle of "make do or redo" – gathering, re-purposing and uncovering the beauty of old things. This book is a treasure trove of projects, including a charming medallion quilt, three runners and a cute pillow setting.
