

Kaleidoscope Book by Lori Holt

The Kaleidoscope Book by Lori Holt of Bee in my Bonnet Co. is sure to shake up your world with color! Create quilts filled with a myriad of cool, light and bright colors, centered on a kaleidoscope-inspired star block. With three quilt size options and three pillow size options, there is an endless array of color and design options to choose from! It also includes a radiant coordinating cross stitch that will light up your home.

In this book we feature two different methods for making flying geese and half square triangles - traditional method and triangle paper and foundation paper.
