

Sew in Love Block of the Month

Over twenty years ago, Edyta Sitar discovered a passion for quilting that would change the course of her life. She is “sew in love” and is thrilled to be able to share this love with fellow quilters by introducing her Sweetheart blocks, a set of twelve quilt blocks that have stood by her through the years, in her new book *Sew in Love*.

She has fashioned these Sweetheart blocks into a breathtaking block of the month sampler quilt with an appliqué and straight-pieced options as well as a whole candy box of tantalizing quilts to take each block further!

Sew in Love will become your new obsession as Edyta encourages you to let loose, play and experiment with her Sweethearts. Every time you select a new blend of colors and prints or delve into a new technique, fall a little bit deeper in love with each stitch. Her love for quilting knows no bounds, and she cannot wait to see where your affair with *Sew in Love* will take you!
